CAREER OBJECTIVE

Aspiring Data Analyst with skills in SQL, Excel, Power BI, and Python. Interested in data analytics, dashboard development, and business insights. Looking for opportunities to apply analytical and problem-solving skills.

TECHNICAL SKILLS

- **Data Analytics:** SQL, Excel, Power BI
- **Programming Languages:** Python
- **Web Technologies:** HTML, CSS
- **Core Concepts:** OOPS, Machine Learning
- **Tools & Platforms:** Visual Studio Code, GitHub, Figma
- **Soft Skills:** Problem Solving, Communication, Team Collaboration

INTERNSHIP

Data Analytics Virtual Internship | SmartBridge

Project: Housing Market Trends Dashboard

- Analyzed housing market datasets using SQL and Excel to identify pricing trends and regional insights.
- Developed interactive Power BI dashboards with filters and visualizations for trend analysis.
- Generated business insights through data analysis and reporting.

PROJECTS

Blinkit Sales Dashboard | Power BI, Excel

- Developed an interactive sales analytics dashboard using Power BI to analyze Blinkit grocery sales data.
- Designed KPI cards to track Total Sales (\$1.20M), Average Sales (\$141), Total Items Sold (8,523), and Average Rating (3.9).
- Created interactive slicers, bookmarks, and reset functionality for dynamic filtering and enhanced user experience.
- Built visualizations for outlet size, outlet location, item category performance, and sales trends.
- Developed interactive sales analytics dashboard using Power BI and Excel for business performance analysis.

Zepto Sales Analysis using PostgreSQL | SQL

- Analyzed Zepto sales and inventory dataset using PostgreSQL to evaluate business performance and sales trends.
- Developed SQL queries using JOINS, CTEs, Window Functions, and Subqueries to extract actionable insights.
- Performed data cleaning and transformation to improve data quality and analysis accuracy.
- Identified top-performing products, revenue trends, and category-wise performance through data-driven analysis.

EDUCATION

2022 – 2026 Narsapur, India	Bachelor of Technology (B.Tech) Swarnandhra College of Engineering & Technology CSE-CS (Cyber Security) • Percentage: 80.37%
2021 – 2022 Bhimavaram, India	Board of Intermediate Education Sri Chaitanya Junior College Mathematics, Physics & Chemistry (MPC) • Percentage: 82.8%
